

A NEW ORGAN FOR
THE EPISCOPAL PARISH OF ST. BARNABAS ON THE DESERT
SCOTTSDALE, ARIZONA

As part of this very special project, the eastern end of the Sanctuary was expanded to accommodate the new 52-rank organ and to add room for the choir and musicians. The acoustics of the room were significantly improved under Dennis Fleisher's guidance.

Of note is the new organ façade, a strikingly beautiful mosaic glass artwork created by acclaimed Canadian artist Sarah Hall, in close collaboration with Casavant designers.

"Wondrous Love" combines the organ with some 80,000 multicolored glass tiles, metal and woodworking. The installation incorporates some of the larger organ pipes, which are an intrinsic part of the mosaic.

The artwork has a strong sense of reverence and holiness. Sarah Hall describes it as follows: "The work resembles a desert flower, with layer after layer opening and unfolding in mystery and beauty, rising to become like a dove—a symbol of the Holy Spirit. These forms hover above the water of our baptism—a gift of the Spirit."

The new organ, which was donated by Mary Dell Pritzlaff in memory of her late husband, was dedicated on October 22, 2010, in a brilliant recital by John Scott.
